14 June 2022	The Executive Director of Corporate Services (S151 Officer) under delegated powers, and following recommendation of the Council Capital Programme Board, has taken the decision to:				
	1.1 Green Initiatives budget: To increase the approved budget by £0.044M in the 2022/23 financial year.	Previous approval for electric vehicle (EV) charging infrastructure in the borough was based upon funding 25% of the overall cost with the balance sought from Government grant. Unfortunately, subsequent to this, the proportion of grant available has been changed from 75% to 60% and in order to provide the same number of chargers the cost to the borough has increased. Authority is therefore sought to increase the approved capital scheme by £0.044M accordingly.	N/A	N/A	N/A
