Subject: RE: Wootton St. Lawrence Neighbourhood Plan Examination

Dear Janet,

Thank you for your emails regarding the examination of the Wootton St Lawrence Neighbourhood Plan.

I have asked the Webteam to update the website to include your email confirming the start of the examinations, the regulation 16 representations and to confirm the examination has started.

In terms of the documents requested in your previous email:

- The outline planning application for the Manydown development: <https://planning.basingstoke.gov.uk/online-applications/applicationDetails.do?keyVal=OM587BCR0AP00&activeTab=summary> - the reference for the application is 17/00818/OUT and relevant documents and plans can be found by clicking the 'plans and related documents tab' at the top of the page.
- Publicly available masterplan: There is no masterplan as such, the planning application is currently being determined at outline stage with all matters except the primary means of access agreed. The case officer has provided me with the land use and parameter plans which can also be found via the link above in the plans and related documents tab however for ease I have attached to this email.
- The adopted Manydown Development Brief SPD can be found here: <https://www.basingstoke.gov.uk/ManydownSPD>
- The council's SHMA can be found via: <https://www.basingstoke.gov.uk/HO2> (the 2015 SHMA can be found in the documents section at the bottom of the page).
- The North Wessex Downs AONB Management Plan: <http://www.northwessexdowns.org.uk/About-Us/aonb-management-plan.html>

I can confirm that the council are also happy with the timetable proposed, subject to no hearing being necessary etc.

Please do let me know if you have any questions or let me know how I can assist in the future.

Best wishes,

Robyn
