

East Woodhay Parish Council

13 May 2022

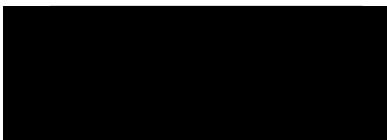

Dear Matt, Robyn and Jessica,

We have now received the formal note from the examiner. East Woodhay Parish Council, as the qualifying body is very clear we wish to achieve our objective of delivering a Neighbourhood Plan for the community. Therefore, we would like to confirm that we would wish to arrange for the Strategic Environmental Impact Assessment to be updated. We acknowledge and accept this will delay the examination of the Plan.

Could you please confirm that Basingstoke and Deane are supportive of performing the update of the assessment? If this is the case could you confirm this to the examiner within the seven days stipulated by her, copying East Woodhay Parish Council.

Once you understand the timing implications of updating and consulting on the assessment, could we please have an urgent Team video meeting with yourselves and the NP team to understand the impact. As you will understand we will need to communicate to our community the issue and the timing impact.

Kind regards

Amy White
Clerk to East Woodhay Parish Council
