

# Funded by UK Government

<b>Rural England Prosperity Fund - Award Summary</b>			
<b>Organisation</b>	<b>Charity or Companies No. (If Applicable)</b>	<b>Project overview</b>	<b>Grant award</b>
Woolton Hill Church Hall Management Committee	1173894	Funding was used to address drainage issues and to resurface an outdoor area, providing a safe year round play area for children and users of the village hall. The works have enhance the halls offer to potential hirers, supporting financial sustainability.	£12,926.09
Whitchurch Silk Mill	900621	Funding was used to replace deteriorating roof insulation with sustainable sheep's wool, reducing energy loss by 60% and providing a cost saving reinvested in the mill.	£11,910.00
North Waltham Village Trust	301905	Funding was used to replace large multifunction play equipment which had reached the end of its serviceable life, with new apparatus for children and families to enjoy.	£30,000.00
Pinder Recreational Trust	267646	Funding was used to replace 7 windows at Portal Hall, improving the energy efficiency of the building, reducing costs and supporting the sustainability of the hall. The works have make the hall more comfortable for users ranging from the pre-school to the WI.	£26,784.00
Whitchurch Cricket Club	Not Applicable	Funding was used to install a new twin lane netting facility, increasing capacity and enabling more children and adults to access and enjoy cricket. The facility is open to other clubs to hire, generating an income stream to support sustainability.	£28,803.60
Whitchurch Conservation Group	Not Applicable	Funding was used to support the regeneration of the town centre, improving its visual appeal to residents and visitors by painting 3 buildings and installing 8 new shop fascia's and 3 new hanging signs.	£29,961.00
Whitchurch Millennium Green Trust	1071916	Funding was used to create an accessible boardwalk, allowing local residents to enjoy new areas of Whitchurch Millennium Green and helping the Trust to more easily maintain the site.	£3,780.00
Ashford Hill Community Shop Association Limited	IPO30473	Funding was used to install solar photovoltaic panels, enabling the community shop to partially power its freezers and chillers, providing a cost saving, supporting organisational sustainability and reducing its carbon footprint.	£15,465.85
Oakley Bowling Club	Not Applicable	Funding was used to install solar photovoltaic panels and battery pack at the pavilion, enabling the club to generate their full electricity requirement in addition to a small surplus providing revenue to the club, supporting sustainability.	£7,867.00
Cultivate Market Gardens CIC	13259029	Funding was used to create a Garden Room with licensed kitchen with adjoining events and educational space overlooking the market garden. A programme of events will support business growth in the rural economy.	£28,604.65
Bishops Green Community Association	1070873	Funding was used to convert a previous office space into a multipurpose treatment facility for use by health visitors, hairdressers and therapists. The space will bring much needed health and care services to local residents.	£6,850.00
		<b>Total grant funding awarded</b>	<b>£202,952.19</b>
