Silchester Neighbourhood Plan 2024 – 2040

REGULATION 18 DECISION STATEMENT (proceeding to referendum)

1. Introduction

- 1.1 In accordance with the Town and Country Planning Act 1990 (as amended), the borough council has a statutory duty to assist communities in the preparation of neighbourhood plans and to progress their neighbourhood plans through examination, referendum and to 'make' the Plan.
- 1.2 In accordance with Regulation 18 of the Neighbourhood Planning (General) Regulations 2012 Basingstoke and Deane Borough Council (BDBC) has produced this 'Decision Statement' in relation to the Silchester Neighbourhood Plan (SNP). This statement confirms that the modifications proposed in the Examiner's Report on the SNP have been accepted by the borough council and the Plan has been consequently amended. The Plan can now proceed to referendum.
- 1.3 The Examiner's Report and submission SNP, including supporting documents, can be viewed on the council's website at:

<https://www.basingstoke.gov.uk/SILNP>

Hard copies of the documents can also be viewed at the borough council offices (Basingstoke and Deane Borough Council, Civic Offices, London Road, Basingstoke, RG21 4AH).

2. Background

- 2.1 On 16 October 2023, BDBC designated the Silchester Neighbourhood Area for the purpose of preparing a Neighbourhood Plan. The plan area covers the parish of Silchester and lies solely within the Basingstoke and Deane Local Planning Authority Area.

- 2.2 Silchester Parish Council (SPC), the qualifying body, submitted the draft SNP and supporting documents to BDBC on 12 March 2025.
- 2.3 Following submission of the SNP, BDBC publicised the Plan and supporting documents and invited representations during the consultation period which ran from Friday 16 May 2025 to Monday 30 June 2025.
- 2.4 BDBC, with the consent of SPC, appointed an independent examiner, Edward Cousins to review the Plan and assess whether it should proceed to referendum.
- 2.5 During the examination, the examiner wrote to the Local Planning Authority and the Parish Councils expressing concerns about whether Policy SIL8 Site Allocation at Little London Road complied with the basic conditions. They indicated that they would recommend that the policy be deleted.
- 2.6 The Examiner's Report was received on 24 November 2025 and recommended that, subject to a number of proposed modifications, the Plan should proceed to referendum. The modifications are required to ensure that the Plan meets the basic conditions set out in the legislation (Para 8(2) Schedule 4B Town and Country Planning Act 1990).
- 2.7 In accordance with the legislation (Schedule 4B paragraph 12 Town and Country Planning Act 1990), the Local Planning Authority must decide what action to take in response to the examiner's recommendations, what modifications to make to the Plan and whether the Plan should proceed to referendum.
- 2.8 If the Local Planning Authority is satisfied that the Plan can proceed to referendum, it is also required to consider whether the Referendum Area should be extended beyond the Silchester Neighbourhood Area (Schedule 4B paragraph 12(8) Town and Country Planning Act 1990).

3. Local Planning Authority Decision

- 3.1 Having considered the Examiner's Report the Local Planning Authority confirms that:

The Examiner's recommended modifications are accepted and agreed. The modifications are supported by the Local Planning Authority in the interests of ensuring that the SNP meets the basic conditions and improving precision to enable the accurate interpretation of the Plan.

- The SNP, incorporating all the recommended modifications and consequential modifications¹, should proceed to referendum as the Plan:
 - meets the basic conditions in paragraph 8(2) of Schedule 4B to the Town and Country Planning Act 1990 (as amended);
 - is compatible with Convention Rights (the European Convention on Human Rights) and complies with the Human Rights Act 1998; and
 - is compliant with the provision made by or under sections 38A and 38B of the Planning and Compulsory Purchase Act 2004.
 - The recommended modifications will not have significant environmental effects.
 - It agrees with the Examiner's recommendation to proceed to a referendum based on the Silchester Neighbourhood Area as approved by the council.
- 3.2 This decision has been made in accordance with the relevant legislation, guidance and advice and in response to the recommendations made in the Examiner's Report.
- 3.4 Not less than 28 working days before the date of the referendum the borough council must publish on their website and make available an information statement and specified documents (which will include the SNP, as revised in light of the Examiners recommendations). These documents will be made available during the referendum period for inspection including at the council's Civic Offices.
