

**Basingstoke and Deane Health and Wellbeing Partnership
Summary of information and action points agreed 23 April 2018**

Action	Who to action
Review of previous minutes and actions	
Needle exchange service – Ileana Cahill (Public Health) had followed this up; it was noted that there was less evidence of discarded needles in recent weeks.	Action complete
Hampshire Mental Health and Wellbeing Tool – Research data had been shared with the Winklebury Regeneration project team, which will take forward any further actions. The type of information that can be produced is shown in the Mosaic profile attachment.	Action complete
Promoting the value of green spaces in achieving health outcomes – Rob Heyfron had followed up from Paul Johnston’s presentation - meetings to be arranged as required	Action complete
Adult’s Health and Care in Basingstoke and Deane	
<p>Tom Horan - District Service Manager, Adults’ Health and Care (AHC) was unable to attend the meeting but had provided a presentation setting out the vision and challenges for his service – attached. Discussion mainly focussed on slides relating to the Tiered Approach, Challenges and Current Responses.</p> <p>Key points arising: How can more emphasis be given to prevention of ill-health (Tiers 1-3)? How is AHC engaged with community support initiatives such as Community Connectors, time banking, voluntary sector support organisations? Are staff in AHC aware of the Connect to Support directory? The issue of capacity of the voluntary sector was also raised, as was the recruitment and retention of staff in the health and care sector itself. It was suggested that campaigns to promote volunteering and more place marketing promoting Basingstoke as a good place to live and work linked to Horizon 2050 should be developed; Marion to discuss further with BVA and BDBC colleagues</p>	<p>Marion Short/ Bridget Phelps</p>
Children and Young People Focus	
<p>Three strands of current service development work were highlighted: CAMHS – outcomes from a recent engagement event (see attachment) Public Health – Children and Young People’s Emotional Wellbeing & Mental Health Strategy: emerging priorities :</p> <ul style="list-style-type: none"> • Supporting good mental health of parents, children and families from pre-conception to early years • Developing a whole school / education approach to mental health with particular focus on vulnerable groups and reducing rates of self harm • Developing the CAMHS service including workforce development and training <p>BDBC –Strategic Approach to Children, Young People and Families: emerging priorities:</p> <ul style="list-style-type: none"> • Supporting the whole family • Improving health and wellbeing • Raising aspirations <p>The draft Strategy will be ready for consultation in autumn (including at the Basingstoke Area Strategic Partnership on 20 September – more details to follow) wit the aim for it to be adopted in November.</p> <p>Discussion highlighted a number of suggestions to be considered as these services and strategies are developed:</p> <ul style="list-style-type: none"> • Need to understand what it means for a family trying to help themselves – eg how would they search on the internet? Are support services easily searchable? • Help young people find positive networks (peers/social media) to improve resilience • Support schools to have health and wellbeing groups and champions • Continue to roll out the emotional first aid training • Enable Housing Association tenancy support services to be more actively involved in promoting family wellbeing 	<p>Lead: Richard Levell</p> <p>Lead: Kate Donohoe</p> <p>Lead: Ed Ives- Wara</p>

<ul style="list-style-type: none"> • Explore development of a trigger tool to highlight issues relating to children, young people and families in a similar way to that used for vulnerable older people • Use national campaigns / funding opportunities to develop family interventions – eg support for families with alcoholic parent(s) or parent(s) with mental ill health • Attention to be given to avoid the cliff edge of transition from children’s to adult services at age 18 <p>Any further comments to be forwarded to the service leads. Service leads are requested to circulate draft strategies to HWP as part of the consultation.</p> <p>It was noted that it would be helpful to have a teacher/education rep on the HWP to feed in on children and young people’s issues in addition to the CYPF Partnership lead – Marion to follow up.</p>	<p>Service Leads</p> <p>Marion Short</p>
<p>Information sharing / Hot topics / Partner updates</p>	
<p>Community and Voluntary Sector Grants – a list of grants awarded by BDBC had been circulated; all to note the projects and target beneficiaries for signposting to support and potential joint working</p> <p>HWP Governance – A new clause has been added to the Terms of Reference to meet obligations under the General Data Protection Regulation; the updated version (April 2018) is available on the HWP webpage at http://basp.basingstoke.gov.uk/health-and-wellbeing-partnership .</p> <p>BDBC Housing: a Homelessness health audit is being undertaken and findings will be shared; obligations for the Homelessness Reduction Act 2018 came into effect in April which extends existing homelessness protections.</p> <p>BVA – a new Health and Care newsletter is being produced quarterly and can be used to signpost to services – please contact BVA with any items for inclusion via website https://www.bvaction.org.uk; BVA will be promoting Volunteers’ week 1-7 June.</p> <p>Healthwatch - the community cash fund is available to local groups for new ideas that explore people’s experiences of local health and care services - details at http://www.healthwatchhampshire.co.uk/ccf - closing date for applications is 31 May; projects to run from July 2018-February 2019.</p> <p>Vivid – new staffing structure with the Housing Association includes a mental health role so will be seeking to link in to initiatives where possible</p> <p>Family Support Service – Level 2 Parenting Courses are being held; FSS working closely with CAMHS; newsletter being produced</p> <p>CCG – noted that GPs had volunteered at winter night shelter and were seeking funding to provide a year round service; CCG is engaged with BDBC and Basingstoke Sports centre on development of a community health programme; community connectors pilot project is underway</p> <p>Disability Forum – funding was secured for a coordinator role to expand signposting service and social outreach; there will be a focus in Tadley</p> <p>Quit4Life – service is focusing on manual workers, pregnant women and mental health patients and work with acute services, with the aim of moving people from tobacco to vaping. The Quit to Get Fit programme has a 100% quit success rate so far.</p> <p>Hampshire Fire and Rescue Service – the new Basingstoke fire station is now open and rooms are being promoted for community use; a community engagement market open day is being arranged at the station with the Community Safety Partnership and CCG (date tbc); Safe and Well visits and Falls Reduction courses are taking place (noted having difficulty getting referrals from GPs)</p>	<p>All to note</p>

<p>Patient Participation - three Basingstoke surgeries (Gillies, Camrose and Hackwood Partnerships) are working towards a merger to provide more services for residents covered by the three practices; there was a reminder that Patient Participation Groups can assist in information sharing</p> <p>Andover Mind – is engaging with 900 people with dementia in Basingstoke and Deane; will be promoting local support during Dementia Awareness Week (21-27 May) and Carers Week (11-17 June)</p> <p>Voluntary Sector Forum – Grants to the voluntary sector have been welcomed; one of the grants means that NeighbourCare can continue to provide support for over 500 clients.</p> <p>Multi-Specialist Community Providers – a single point of access for integrated care is being delivered from the Parklands building at the hospital</p> <p>Southern Health – Ready Steady Mums programme is running again; Chat Health is being made available to parents of Under 5s</p> <p>Children, Young People and Families Partnership: the meeting considered Universal Credit, review of response to pupil attendance, development of CYPF Strategy.</p> <p>BDBC – a community plan for Kempshott has just been produced – available at: https://www.basingstoke.gov.uk/content/page/56354/Kempshott%20Community%20Plan%20-%20March%202018.pdf A 'later life wellbeing' questionnaire was included as part of the evidence gathering for the plan. BDBC is engaging with HCC on a project to help men to stay healthy – currently in early stages of development; ongoing engagement with strategic partners about health provision on the borough. BDBC has secured funding through the Warm Homes scheme to install central heating for rural household on low incomes off the gas grid – any practitioner who thinks a client/patient may meet the criteria should signpost the resident to more information at: https://www.basingstoke.gov.uk/warm-homes</p>	<p>All to note</p>
<p>Coordination Groups – theme activity</p>	
<p>Be Physically Active - Sport and Physical Activity Alliance Be Aware of Harm - Public Health Alliance</p> <p>Update sheets for both themes are circulated with these notes.</p>	<p>All to note</p>
<p>Communications</p>	
<p>Paul Davey (CCG) reported that a new Communications, Engagement and Involvement Forum had been established to help develop and implement engagement with residents about new models of care. Representatives on the Forum include Councillors, local authority reps and Patient Participation reps. Cllr Simon Bound and Chas Bradfield attended the first meeting; next meeting mid-May.</p> <p>The new models of care approach is based on localities and brings specialists teams together focusing on: ill health prevention / complex needs / better access to services / care outside hospital / acute services. The approach uses demographic data and population trends and will be presented in terms of what it means for residents. A workshop is planned later in the year.</p> <p>Enhancing links between the 5 CCG Partnerships and the Hampshire Health and Wellbeing Board is a priority. Marion noted that district councils are linked in to the Hampshire Board through a councillor and officer rep from the district health forum.</p> <p>The CCG AGM is to be held on 21 June at 6pm – open to all to attend.</p>	<p>All to note / action</p>
<p>Next HWP meeting</p>	
<p>Monday 16 July 2-4pm PLEASE NOTE VENUE: BASINGSTOKE FIRE STATION</p> <p>Agenda to include :Improved Models of Care Updates on Be Mentally Resilient and Be Socially Connected themes</p> <p>Dates for future meetings: Monday 2-4pm 15 October 2018</p>
